Black & Brown Therapy Collective

Our Mission

The mission of the Black & Brown Therapy Collective is to connect Kalamazoo residents of color to therapists of color for the healing of racial trauma.

The Black & Brown Therapy Collective was created in response to community needs through a partnership between TRHT Kalamazoo, Rootead, and local clinicians and advocates.

Need co-payment assistance?

Let us know on your application! We offer scholarships to help assist with co-payments, eligible for Black and Brown Therapy Collective members.

No insurance?

Let us know on your application! We offer scholarships to help with session coverage for non-insured Black and Brown Therapy Collective members.
